America

America . . .

To every man his chance,
to every man, regardless of his birth,
his shining golden opportunity -
to every man the right to live, to work,
to be himself, and to become whatever
thing his manhood and his vision can
combine to make him - this, seeker, is
the promise of America.

Thomas Wolfe

The 1975-1976 Waller Bulldog Annual is dedicated to all Americans, past and present, who have strived to make this country the great nation that it is today.

In Memory Of Nicole Leonona Baird

While she was here
She laughed and played.
She loved the sun
and enjoyed the shade.
She loved her friends
some big - some small.
With open arms she welcomed
them, one and all.

She loved the games,
a Bullpup she was.
She joined in, she cheered
and gave her applause.
The Bulldog Band was her
favorite delight.
What enjoyment it gave her
on many football nights.

When we remember, the times
that have been,
Remember her good times,
her joys and good friends.
She showed us how to enjoy
the gifts from above.
But most of all, when we
remember, remember that -
She loved.

Blocking, Cycling, Eating, And Walking . . .

Blocking, cycling, eating and walking are all a big part of the 1975-76 Waller FHA. On September 4, FHA girls participated in a powder puff football game against the Junior Varsity Football Team. The half-time show was a tricycle race. Students all sizes and shapes participated in this show. That night the FHA held their Annual Ice Cream Social before the Freshman team defeated Royal. On September 27, the FHA Sponsored their second Annual Walk-a-Thon earning \$1,604.91, which was an improvement over last year.

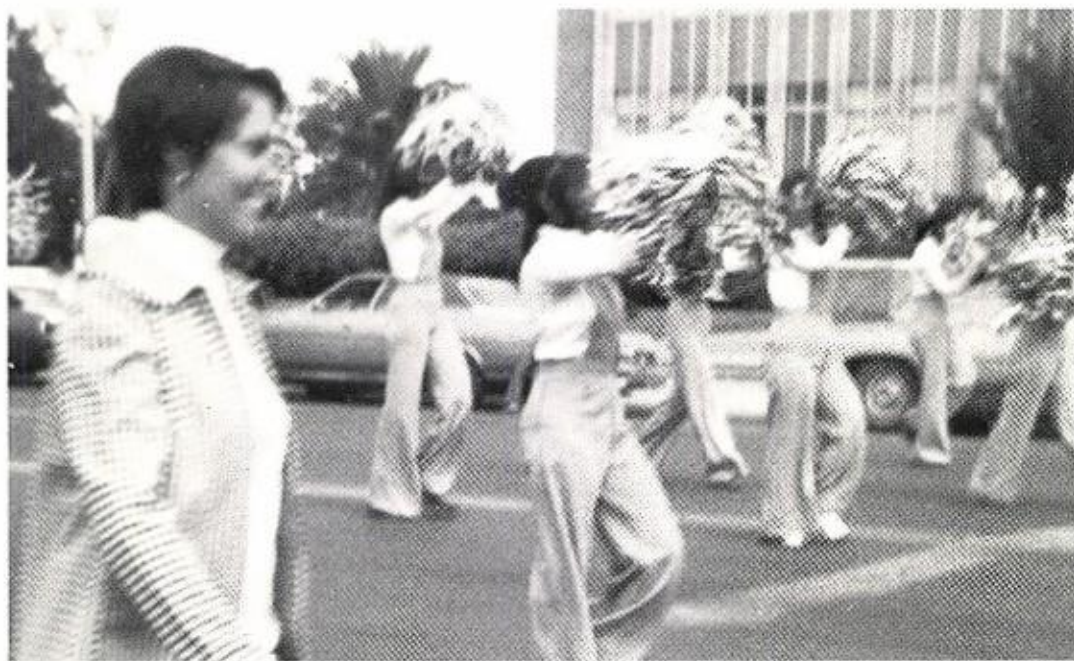

PROMOTES SPIRIT

FAIR

The 1975 Waller County Fair and Rodeo was held the 11 and 12 of Sept. It was filled with many events such as the carnival, Rodeo, and the queen's contest. Lori Rich was chosen as the 1975-76 Waller County Fair Queen. Mr. Poole was the guest speaker of the queen's contest. The whole event was said to be a very joyous occasion. And shall be remembered throughout the 75-76 year as a youthful event.

HISTORICAL MOMENTS

History was an important part of the Bicentennial year. Black History Week was observed by bulletin board decorations. Mrs. Honore's history classes had projects and International Day for Freshman history students.

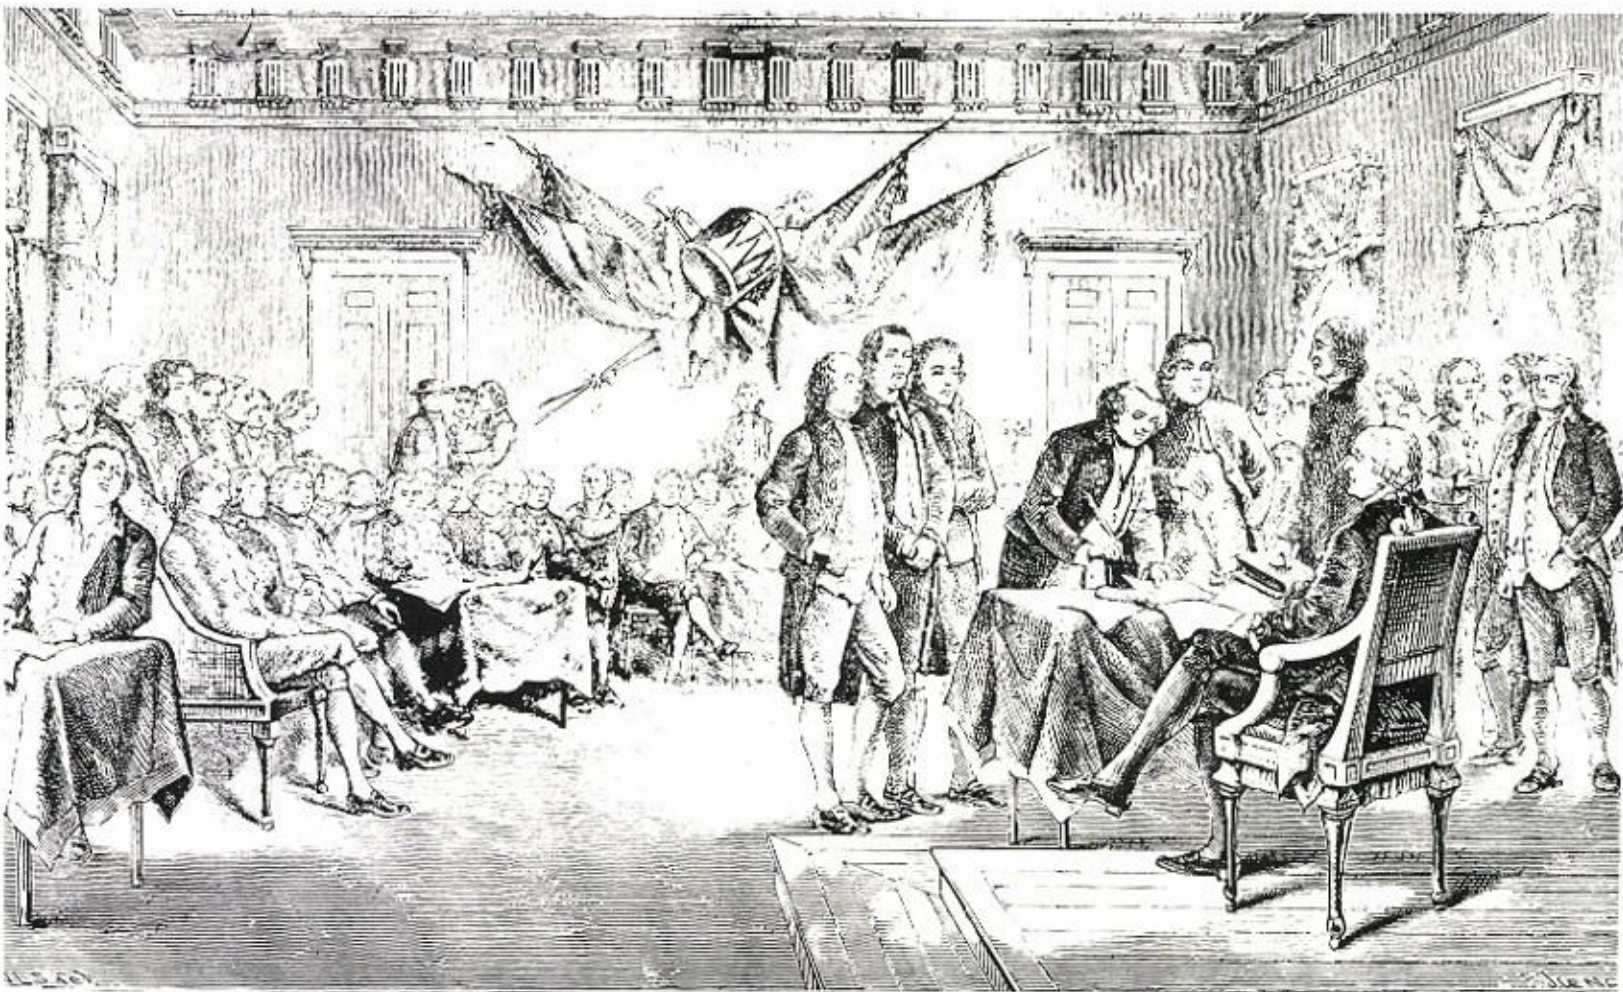

Mercy Brought Her
By Phillis Wheatley

*'Twas mercy brought me from my
Pagan land,
Taught my benighted soul to
understand
That there's a God, that there's a
Saviour too:
Once I redemption neither sought nor
knew.
Some view our sable race with
scornful eye,
"Their colour is a diabolic die."
Remember, Christians, Negroes,
black as Cain,
May be refin'd, and join th' angelic
train.*

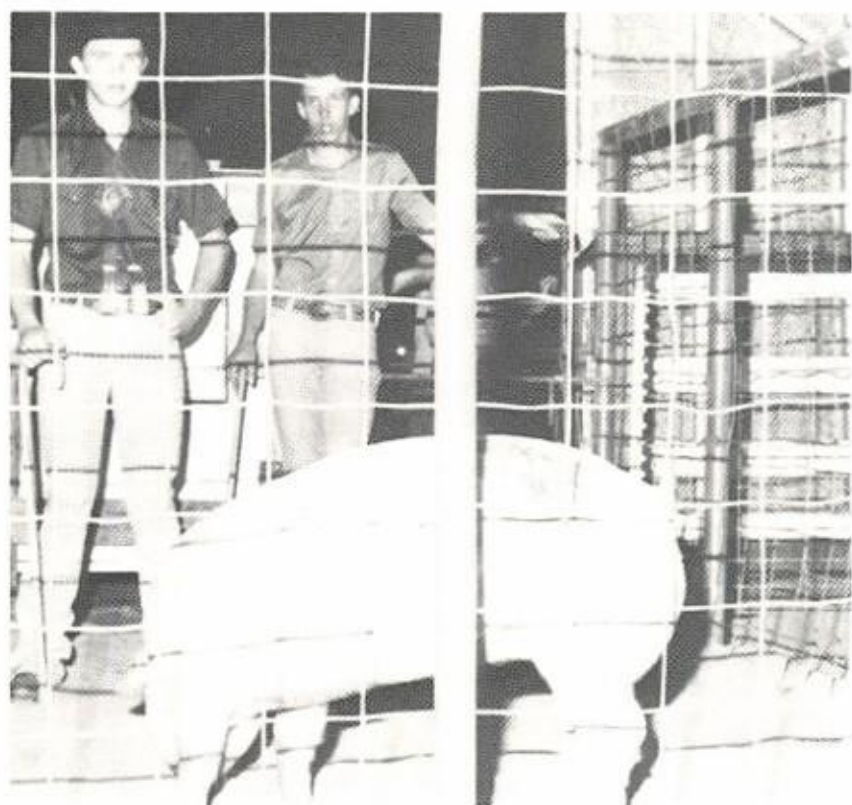

On February 3, the Waller High School Civics students attended a "Mock Trial" at the Waller County Court House. Along with Civics students of other area high schools, they watched the judicial process in action. Several Waller High School Seniors participated as assistants to the attorneys, as jurors, and as witnesses. The majority of the students enjoyed the experience and learned from it.

FFA PROJECT SHOW AND RODEO

Here the faculty and Beta Club participate in a game of Basketball. In spite of all the graceful shots and poses, the dancing and praying, the game ended in a tie.

FHA BICENTENNIAL

"200 Years of Fashion"

On April 22, the Homemaking Department presented "200 Years of Fashion" portraying an outline of fashions from 1776 to 1976. There was musical entertainment highlighting the days of the "Charleston" and "Jitterbug." The music and fashions brought back many memories.

Class Song

Theme From Mahogany

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to,
do you know?

Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for,
do you know?

Once we were standing still in time
chasing the fantasies that filled our minds.
And you knew how I loved you but my spirit was free,
laughing at the questions that you once asked of me.

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to,
do you know?

Now looking back at all we planned,
we let so many dreams just slip through our hands.
Why must we wait so long before we see
how sad the answers to those questions can be?

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to,
do you know?

Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for,
do you know?

WE'LL GIVE YOU FULL CREDIT

in the Community College
of the Air Force

It's an entirely new concept! College credit, transferable, for your training and experience during your enlistment. If you want to become a professional in one of 3,700 vocational areas, ask to see our new general catalog. Air Force men and women can make it in so many different ways. We'd like you to be one of us.
